

## TCSA CONFERENCE INFORMATION

Dear Schools of the Texas Christian Schools Association,

We hope each school had a positive close to the 2010-2011 school year. Now that summer is upon us, we are in the midst of some time to rest and some time to prepare and plan for 2011-2012.

One important opportunity at the beginning of next school year for your faculty and staff is the TCSA Summer Conference. This summer the conference is on August 5-6 in Abilene, Texas and will be on the campus of Abilene Christian University. We are looking forward to a great time to fellowship, worship, learn, and experience joy at the conference this summer. Jon Gordon will be the keynote. We will have times of praise and worship as well as many great breakout sessions.

**August 5** – The conference will begin with lunch, there will be sessions all afternoon, and dinner and awards that evening.

**August 6** – We will have sessions during the morning and a keynote session. We will conclude before lunch.

The theme this year is “Heart That Glorifies God at Work”. Our work is much easier when realize that we are working to glorify God and not ourselves.

TCSA continues to keep this conference affordable for schools to bring their faculty and staff. This year the cost is \$40 for each faculty and staff member from your school. We are hopeful that each school will attend this summer and bring many attendees. By July 29 each school will need to e-mail or fax a list of attendees and send payment.
